

Harding's Community Giving Program – SPCA of Southwest Michigan [escrip](mailto:escrip@spcaswmich.org)

How you can get a card:

1. Send an email to escrip@spcaswmich.org that includes the first and last name of each person in your household who would use a card and your complete address. We will then register the escrip card(s) and mail it to you.

OR

2. Fill out a form at the rescue center Information Desk and receive your card right then.

That's it!

Here's how it works:

Supporters of SPCA simply scan a free 'escrip' card every time they shop at Hardings Markets. At the end of the month, Hardings will donate 1 – 4% (depending on the total) of the amount spent by SPCA supporters back to SPCA. It's that simple!

- This does NOT increase any prices or add anything to your total charge at the register.
- All products count toward the total except lottery tickets, gift cards and taxes.
- The more sales we rack up, the higher the percentage of the donation.
- There's a small version of the card that can be put on a key chain for convenience.
- There is no cost to SPCA or supporters for participating in this program.
- Each person who shops for your household can have their own card.
- You can begin using your card as soon as you receive it.
- You can still use any method you like to pay for your groceries, etc.

All we need to do is scan our escrip card when we shop at Hardings and/or redirect some of the shopping we're already doing for our regular household needs to Hardings stores. A list of Harding's stores is posted on our website at www.spcaswmich.org/YouCanHelp.

Please participate. It's easy and the animals of SPCA really need the financial support.

Please encourage your friends and family to participate as well – especially if they already shop at Hardings. All they need to do is scan their card at the register.
