

Since 2000, Harding's has contributed over \$1,000,000 to organizations in the communities we serve. This is part of our Vision Statement "To be known as the favorite neighborhood market in every community where we do business, providing friendly service; high quality fresh products; surprising values; and a commitment to the communities we serve".

Harding's is making a change and is working with a new partner for our Community Rewards program. We are very excited, as the new program will offer our customers a better shopping experience while still making contributions to their organization of choice.

The current eScrip Program expires **June 30, 2016**. As of that date, your eScrip card will be invalid at Harding's stores. Customers will need to sign up for the new Harding's Community Rewards and eCoupon program by visiting our website: <http://www.hardings.com>. It's easy and only takes a couple of seconds!
