

## Show your Support with a Shelter Sponsorship

Shelter Sponsorships are seen daily by the thousands of visitors who come to SPCA of Southwest Michigan (SPCA) each year.

Shelter Sponsorship are a thoughtful way to memorialize a beloved family member, pay tribute to a family pet (past or present) and are an effective way to advertise a business. These annual sponsorships also promote community involvement and show support of our shelter's work. The proceeds from these sponsorships help us care for the over 1,000 animals that pass through SPCA's doors each year. This type of financial support allows us to continue our various community outreach programs such as Kalamazueter, My Sister's House and food assistance programs for low-income pet owners.
