SUBARU LOVES PETS!

The UnderDogs

Adopt a shelter pet and Maple Hill Auto Group donated \$100 for each dog that was adopted to SPCA of Southwest Michigan to help more pets get adopted during the month of October!

We adopted out 32 dogs in the month of October! Thank you adopters and Subaru!

It's just one of the many ways we're keeping the Subaru Loves Pets promise.

Group!**

Earlier this month, some of our team members volunteered at the SPCA of Southwest Michigan! The group decorated for their upcoming Dog O' Ween event, cleaned up the haunted trails, and organized the food storage shed.

The SPCA is dangerously low on dry cat food - If you are able, please donate to help support our furry friends!

DONATIONS!

Thank you to:

Kalamazoo County State Bank

Del Dozeman with Harbor Humane Society

Thank you SPCA Volunteers and Sturgis Bank Volunteers for driving out and loading the food.

We appreciate everyone's hard work to make sure SPCA dogs are fed and taken care of. We have an awesome community!

WE'RE GETTING A NEW LOOK!

New Volunteer Software

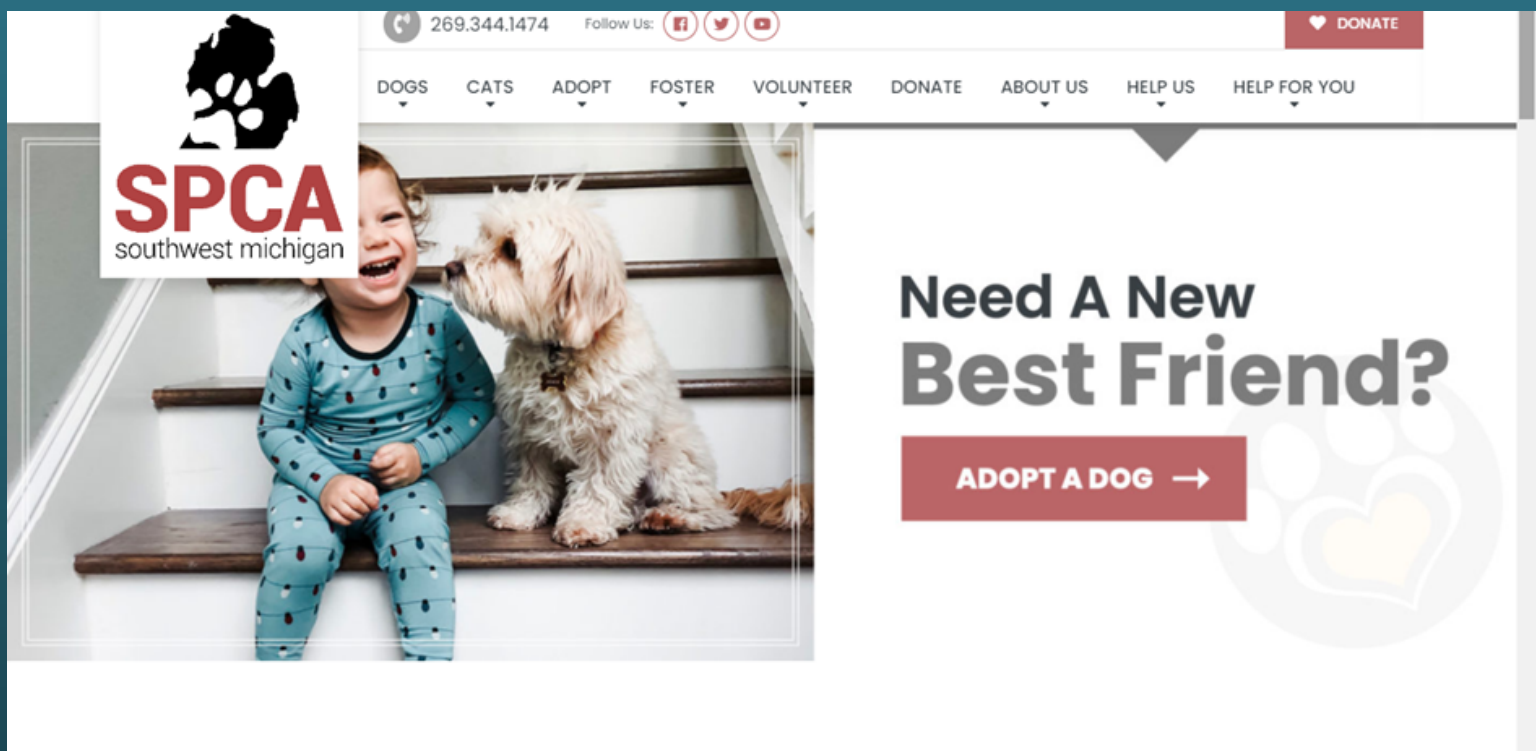

The SPCA of Southwest Michigan is excited to announce we have new Volunteer Software. The software is through Galaxy Digital's GetConnected.

It's a one-stop volunteer management tool that will allow volunteers to sign on to view and sign-up for all of the SPCA volunteer needs. Everything from dog walking, to events, to special projects will be on the software. Volunteer's attendance and hours will be logged and they will earn badges they can share on social media about their volunteer work.

The software will also house SPCA animal profiles who are in need of fostering. With one click, foster families can respond to an animal in need.

The software is open to the public to view and sign up for orientations to become SPCA Volunteers. In the coming weeks, a link to the site will be posted on the SPCA's website. Keep an eye for it!

*Watch for our updated
website coming soon!*
